

BEQUESTS TO THE SECULAR FRANCISCAN ORDER

With a gift in your Will, your generosity will enable the Secular Franciscan Order to continue the work of helping others for many more generations.

Monetary donations can be a practical way to continue the work of the Order. Tangible assets such as land, houses, vehicles, paintings or other collectables could be a wonderful contribution. Any valuable goods may be a gift to the Order.

If you already have a funeral plan in place, consider asking for donations in lieu of flowers at your funeral to support the Secular Franciscan Order. (Funeral Directors can arrange to have special envelopes made available at the funeral service).

Also, as part of your funeral plan, ask if the Funeral Director can notify the Secular Franciscan Order of your transitus passing, so that we are able to attend your funeral and continue praying for you. (OFS Rule #24)
